## EDUCATION

<b>The University of Tennessee, Knoxville, TN</b>	<b>May 2025</b>
Bachelor of Science, Information Science (BSIS)	Major GPA: 3.56/4.0
Concentration: User Experience Design (UXD)	

## TECHNICAL SKILLS

<b>Languages:</b>	<b>Frameworks/Libraries:</b>	<b>Databases:</b>	<b>Tools:</b>
HTML, CSS, JavaScript, Python, C++	Bootstrap, React.js, Pandas, Matplotlib	SQL, MS Access	Git, Figma, MS Office, Adobe Photoshop

## PROFESSIONAL EXPERIENCE

<b>Web Developer with IBC Traffic, Remote</b>	<b>May 2024 - Current</b>
<i>Internship</i>	

- Collaborated with senior management to capture business requirements for the redesign of the corporate website, leading to improved user experience and a measurable increase in traffic and conversions.
- Designed and deployed dynamic website features using Figma for prototyping, Squarespace for hosting, and custom HTML, CSS, and JavaScript, improving site functionality and aesthetics.
- Conducted iterative user testing and feedback sessions, refining the site based on insights, resulting in a more intuitive and satisfying user experience.

## RELEVANT COURSEWORK

### Database Design – UTK Course

- Studied procedures and techniques in database design and development, including conceptual data modeling, logical database design, and the physical database design process.
- Gained proficiency in Structured Query Language (SQL) for querying and managing relational databases.

### Programming for Information Applications – UTK Course

- Focused on programming languages with an emphasis on data structures, built-in functions, user-defined variables, and syntax control structures for processing and visualizing datasets.

### User Experience Design – UTK Courses & Google UXD Certification

- Developed user-centered design skills, including user research, persona creation, wireframing, and prototyping.
- Acquired expertise in usability testing and iterative design to enhance product functionality and user satisfaction.
- Proficient in design tools such as Figma and Adobe XD for creating high-fidelity prototypes.
- Applied accessibility principles to ensure inclusive and user-friendly designs for diverse users.

### Interfaces and Interaction Design – UTK Course

- Explored human-computer interaction (HCI) principles to design intuitive and effective user interfaces.

## PROFESSIONAL CERTIFICATIONS

- AWS Cloud Practitioner Certification (Expected January 2025)
- Google User Experience Design Certification (Completed September 2024)
- Meta Front-End Developer Professional Certificate (Completed January 2025)

## PROFESSIONAL AFFILIATIONS

United States Research Software Engineer Association (US-RSE)	August 2024 - Present
Association for Computing Machinery (ACM)	September 2024 - Present
International Institute of Business Analysis (IIBA)	August 2024 - Present
